

JUDGES GUIDE

Float/wheeled prop decoration and build up:-

Consider the time, thought and effort put into creating the float/trolley and does it reflect the title?

Lighting:-

Does the type and amount of lighting used work well to achieve the correct effect, again reflecting on the theme?

Music:-

Quality and suitability are the key factors here, does it represent the entry in a suitable way?

Costumes and Make-up:-

Consider the time and effort put into the detail of costumes and make up. Do they work well with the theme?

Tableaux Effect (tableaux):-

A tableaux float should depict a scene, there should be no movement, but it should create an "awe" factor and a strong impact by clever use of the above categories.

Entertainment and routine (feature):-

Look for a good routine which is fitting to the music and the general ability to entertain.

Entertainment and comic content (comic):-

Should have the ability to raise a smile, be fun and thoroughly entertaining.

Masqueraders:-

Should be judged by their presentation, ability and effort put into entertaining the crowd.
